

R7-2-617 Renewal Requirements

- A. A certificate may be renewed within six months ~~before it expires~~ of its expiration date, except that individual holding multiple valid certificates may renew all certificates at one time in order to align the expiration dates of each certificate. Certificates being aligned shall be renewed at the same time as the certificate that will expire first. Individuals seeking to align certificates shall meet the renewal requirements for each certificate being aligned. Current certificates aligned pursuant to this section may be valid for less than the original valid period of the certificate. ~~A certificate may be renewed within one year after it expires if the individual is not employed under the certificate. Individuals whose certificates have been expired for more than one year shall reapply for certification under the requirements in effect at that time for reapplication.~~
